Informally we conclude the regular section of the 1951 Comment. Despite the late hours, hard work, harassing editor and the leadership of our sponser, "Mad-Man" Miller, the Comment staff admits the enjoyment it had in compiling the activities of the school year. We hope you enjoy the results of our efforts.

Our thanks to our photographer, LEO GREDELL; our publisher, CAMPUS SERVICE, and their representative, WALLY MANN; and to all the students who have given us such fine pictures for the Feature pages.

SUMMER BASEBALL

The boys who represented K. H. S. on the diamond, made a fairly good record for the season despite several handicaps.

The K. H. S. boys won their first three consecutive games. The first, with Cantril, was an easy 17 to 12 victory for the Chiefs. The next win was from St. Paul, 12 to 3. Burlington was next, 7 to 6.

Oakville started the losing streak by taking a 3 to 4 victory from the Chieftains. Next was Ottumwa, squeezing in on top of a 5 to 6 score.

Then Oakville 5; Keokuk 4. Ft. Madison 12; Keokuk 11. Muscatine 11; Keokuk 0. Keokuk dropped another game to Ft. Madison 6 to 9.

Keokuk caught hold of themselves then to win the last two games. The first from Ottumwa, 5-3. The Chiefs avenged their scorching defeat by the Muskies in their first encounter by topping Muscatine 8 to 3.

The season record was five wins and six losses for the K. H. S. boys.

In spite of a few setbacks the K. H. S. Sophomores, under the direction of Coach Robert Gowing, showed improvement throughout the season. At the season's end they were rated among the best in the conference, and would have given any sophomore club a tough battle all the way. We look forward to these boys taking over the spot vacated by this year's graduating Seniors.

DAVENPORT STOPS KEOKUK'S

The Chiefs of 1950-51 have a right to be proud of themselves. All their followers are proud of them. They compiled a record which is unparalleled in the history of the school's participation in the Little Six conference. They came through with 14 consecutive victories in the conference and lost only 2 games in a 21 game schedule which was plenty tough. The Chiefs were finally astride the heap as far as basketball is concerned in South East Iowa. They were only a little behind Davenport in the weekly ratings and ranked about third or fourth in the state for most of the season. It wasn't one man who did the job but the fine efforts of Coach Don Shupe and all his boys led to the splendid record and left a mark for subsequent squads to shoot at.

The Keokuk Chiefs played excellent ball in the state tournament series and emerged as consolation champs, losing only to the champions, Davenport. They racked up three victories over tough opponents, Double A Sioux City and East Des Moines as well as a tough D A school, Grinnell.

The victory trail started at Ft. Madison as the Chiefs removed the Bloodhounds from tournament play. The next step was in the sub-state at Iowa City as the Chiefs downed a dogged Oskaloosa team. Muscatine, one of the Chiefs' Little Six competitors, fell next as the Chiefs rolled over them by a score of 51 to 35.

The latter victory put the Chiefs into the

Sweet Sixteen where they met Sioux City Central, a champion in their conference. This was a nip and tuck battle from start to finish but the Chiefs emerged on the long end of the score to move them out 40 to 43.

A rough, tough Grinnell team with a great center was next on the list, but the Chiefs rose to the occasion as Logan shackled the tallest boy in the tournament and the rest of the Chiefs played superb ball. Grinnell was knocked from the tournament 51 to 38.

Davenport, the defending champion, was next and the Chiefs went down to defeat after a game battle.

In the consolation final against Des Moines East, the Chiefs, after a tough struggle, popped in two buckets in the last few seconds to set the East boys down by one point 45 to 43 and walk off the floor as consolation champs of the state of Iowa.

In the state tournament the Chiefs showed all the attributes of a great team, the ability and willingness to battle the best and to come from behind to win.

In addition to the fine team play of the boys, Bill Logan cracked three tournament marks, the most points in tournament play, most field goals and the most free throws. We feel that coaches Don Shupe and Bob Gowing and all the boys on the squad have the congratulations of the faculty, student body and townspeople and a wish for rousing good luck for next year.

FOOTBALL-1950

VARSITY

The 1950 Chiefs had a much better team than the record would indicate. Although they won but two games and lost six, and finished seventh in the conference, the majority of the losses were battles right down to the finish. The Burlington game is a good example. The Chiefs had the Grayhounds most of the way only to get nipped at the end by a score of 14-13. On the credit side of the ledger, we had our win over our traditional rival, Ft. Madison, on a very frigid November evening which compensated for a so-so season. Win, lose or draw, the boys fought clean and hard and Keokuk can well be proud of them.

Wilson High of Cedar Rapids — here

Keokuk Chiefs start off the season with a bang by winning 19-9.

Fairfield — here

The Chiefs battled the mighty line of the Trojan's to the last minute, but game out on the losing end by a score of 19-0.

Muscatine — there

A win was expected, but the Muskies proved to be too much for the Purple and White and we lost 21-0.

Burlington — here

The Grayhounds who have romped over Keokuk in the past few years had a close one. With the Chiefs leading 13-0 at half-time, the Grayhounds scored twice to win by a score of 14-13 in the last half.

Ottumwa — here

The Chief's homecoming was spoiled by the Bulldogs by a score of 19-6.

Mt. Pleasant — there

The Panthers, who ended up as Little Six champs, toppled the Chiefs to the tune of 20-0.

Washington — here

Luck ran hard for the Chiefs on a cool and frosty night as the Demons climbed out of the cellar by winning 35-19.

Fort Madison — there

When the Bloodhounds caught up with the Chiefs on a cold November night, they soon turned and ran with a loss of 13-6 hanging on their tails.

HOMECOMING

An Indian Pow Wow and bonfire sponsored by the Thespians on October fifth introduced the 1950 Homecoming festivities.

Friday evening during the half of the Keokuk Ottumwa football game, the crowning of the queen took place. The queen, Jeanne Altmaier and her attendants Susan Anschutz and Joan Chambers were escorted by three band members across the field. Jeanne was crowned by Mr. Baum and took her place on the throne to reign over the last half.

The Chiefs played a good game but the Bulldog's heavy team proved too powerful and the final score was 19-6.

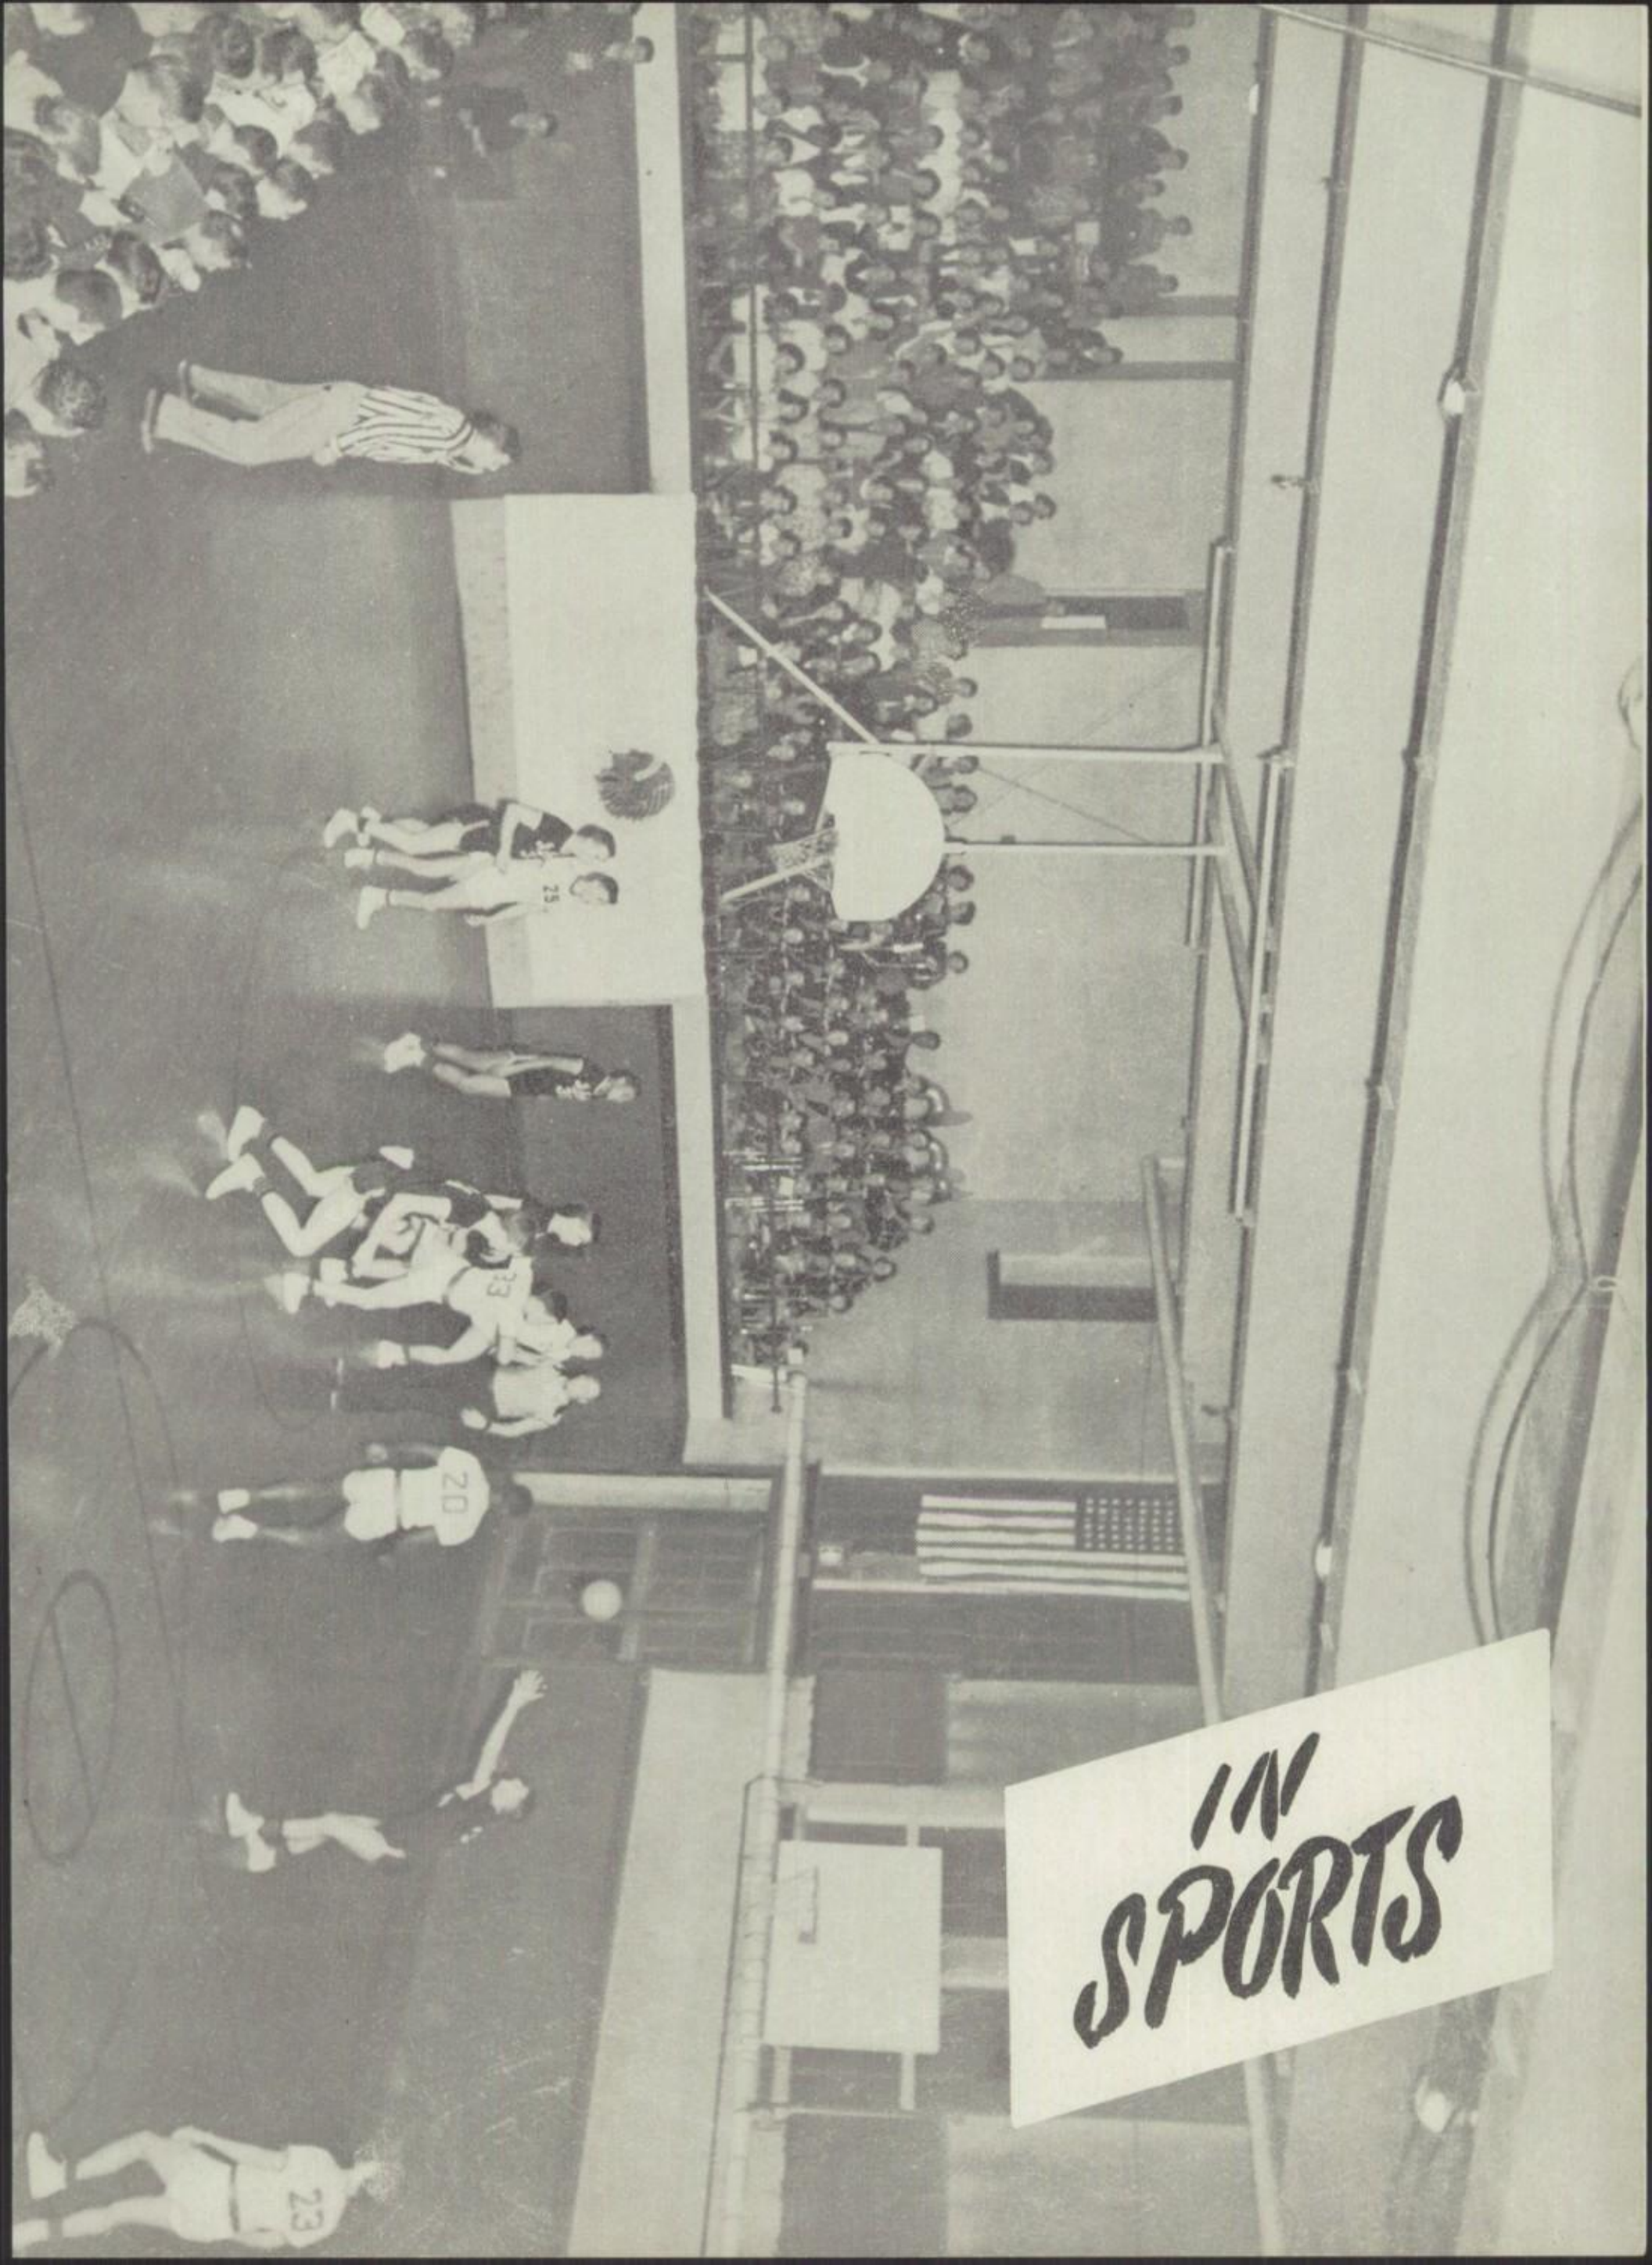

The dance in the gym was the climax to the 1950 Homecoming. It was well attended by the students and alumni and was a big success.

PEP SQUAD

The Pep Squad, under the supervision of Miss Helen Nancholas, is composed of forty-one girls including a major who leads them through their marching routines. In the spring, tryouts are held and girls are voted in on the basis of poise, rhythm, posture, and neatness. Their chief function is marching at the half-time of all our high school games and to create pep and enthusiasm. Other activities of the Pep Squad girls include selling season tickets to the football games, ushering at games and civic events and marching in parades. Each year the last performance is planned, worked out, and executed with the seniors solely in charge.

TRUMPETEERS

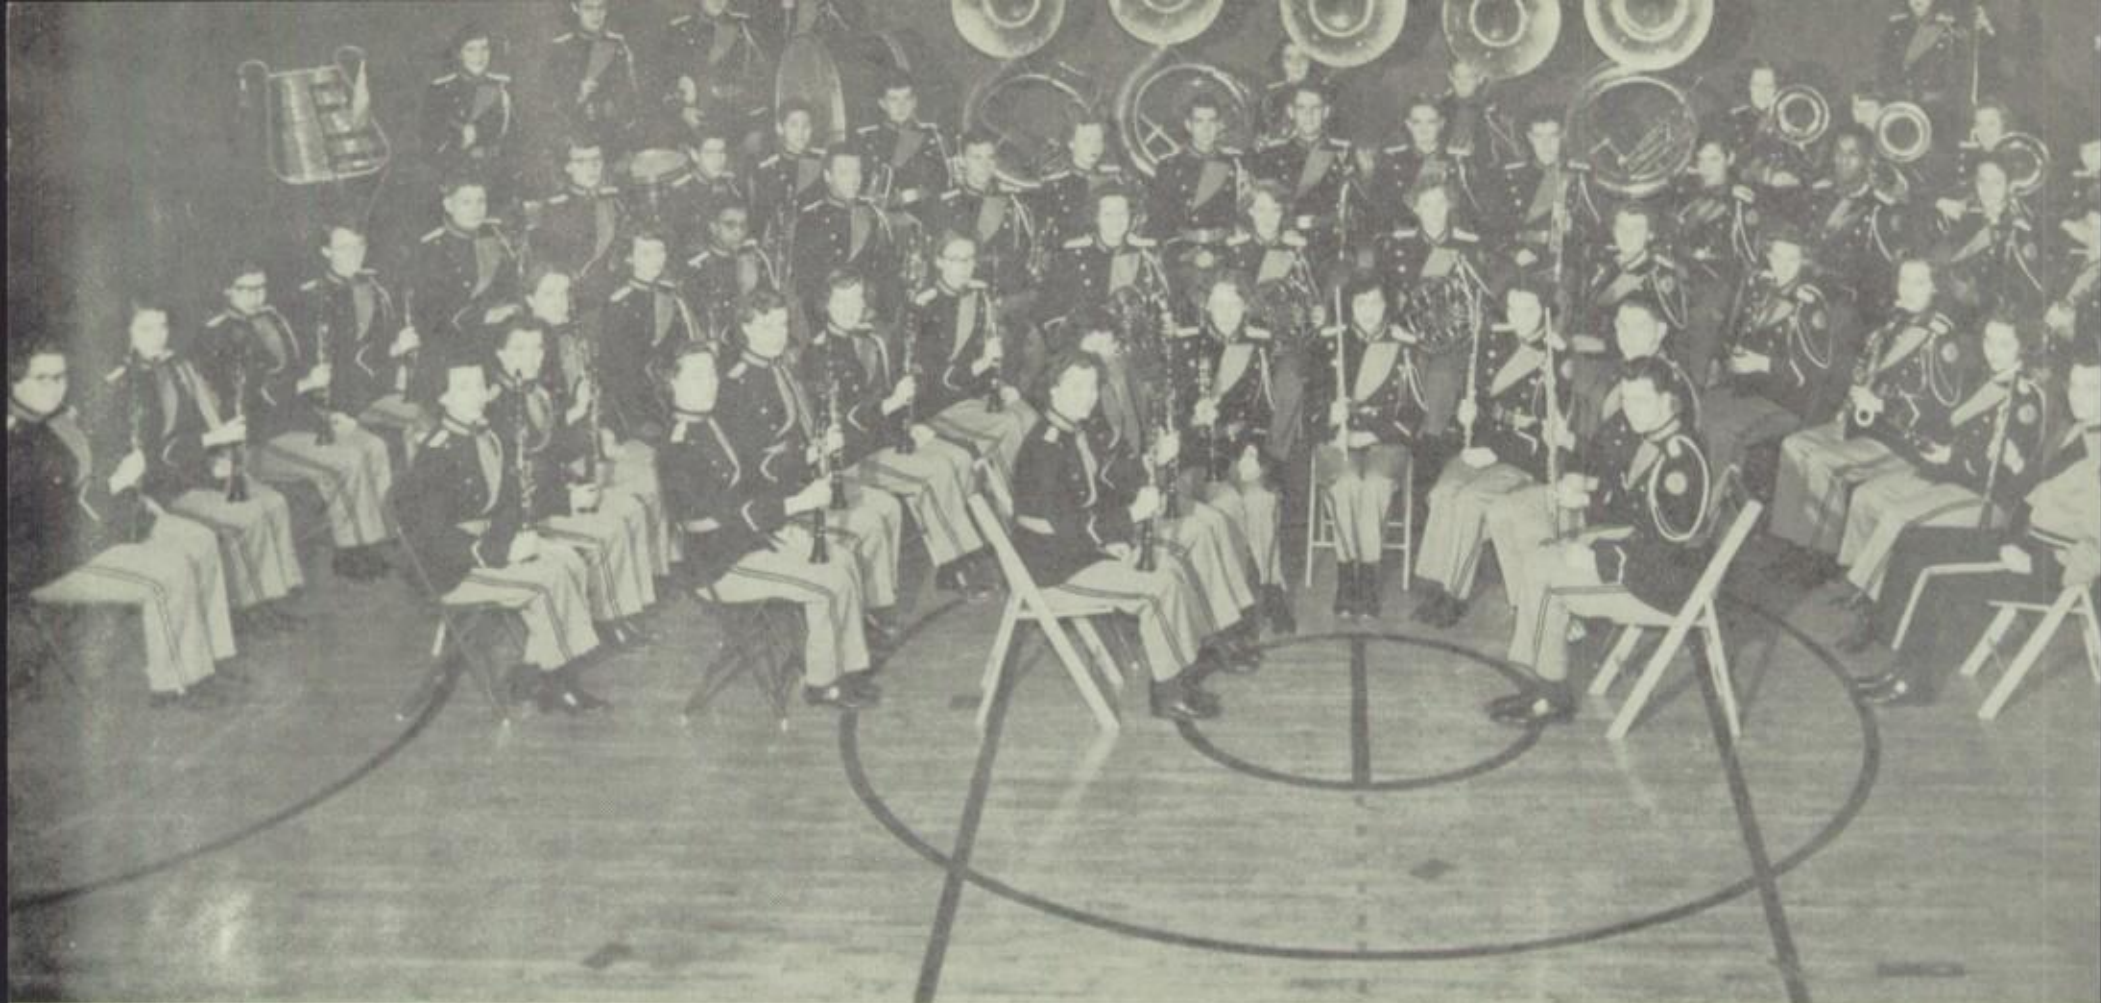

The Trumpeteers, a quartet of two trumpets and two cornets, is composed of Bill Kiedaisch, Roger Campbell, Bill Cackley and Eugene Flambeau. Organized two years ago, the Trumpeteers play at concerts, clubs and for local performances. They auditioned for the Horace Heidt show and were one of three contestants chosen out of approximately sixty. This earned them the honor of playing with Horace Heidt at Burlington. Declared winner of this local talent program they were promised a place on the regular Horace Heidt Show by Horace Heidt.

ON TO WASHINGTON.....

A survey was made of the nation's bands to determine those to be invited to play for the Sesqui-centennial in Washington, D. C. The Keokuk Senior High School Band was one of the honored ones to be chosen to participate.

After months of intensive rehearsing and raising \$5,000 from generous citizens of Keokuk, the band left early Saturday morning, July 29, for the nation's capital.

The group traveled in two Burlington Trailways buses. Since they had chartered the buses, they were able to stop at such places as Lincoln's Tomb at Springfield, Annapolis Naval Academy, Mt. Vernon, Gettysburg, Arlington Cemetery, and all the historic spots in Washington.

The band's schedule of concerts included the Walter Reed General Hospital, and at the Jefferson Memorial. On the return a concert was also played at Huntington, Indiana.

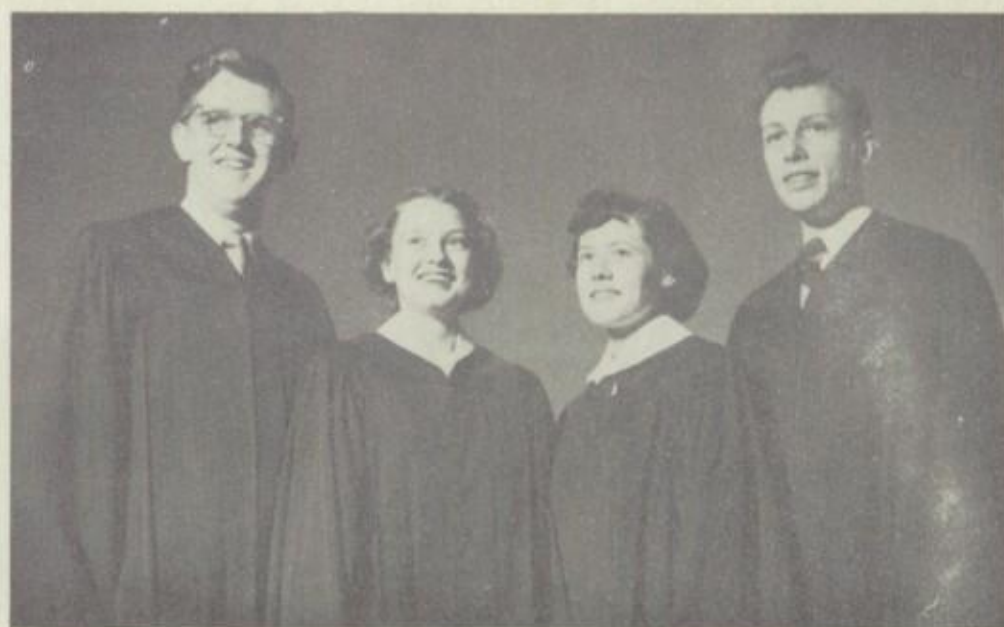

Of course, the band had the time of their lives, but aside from the fun, it made vivid the lessons of American History and Civics.

STAGE CREW

The Stage Crew are the unsung heroes of a play. Long after the cast has gone home, these boys still work into all hours of the night in order that we may have outstanding sets for our plays and assemblies. This year, again under the talented hand of A. C. Lumberg, they have done a very creditable job.

THESPIANS AND RESERVES

"Ladies of the Jury", the All School play, was produced by this year's Thespian troupe. They also helped produce the Junior class play, "We Shook the Family Tree". A one act project, "The Stopping Point", a pep rally, and operetta committees, were some of the other Thespian activities. Mr. McKinstry is the very able sponsor of this enthusiastic group. Regular Thespians, who have earned 15 points, enjoy the privileges of voting and holding office. To become a Reserve, a student must earn 7½ points.

CONSERVATION

Although Conservation Club does little in the way of conserving, it does a big service to the school in the fine way it handles the sale of food and soft drinks at the various school activities.

Under the sponsorship of Mr. Spohnheimer, the members, in addition to their "huckstering", hold an Easter dance, attend one out-of-town ball game, have numerous steak fries, and picnics and form the "big business" of K. H. S.

The addition of an ultra-modern popcorn machine this year made possible more efficient service than ever before.

STUDENT COUNCIL

The Student Council consists of representatives from the eighteen home-rooms. It is the honorary governing body of K. H. S. This year's activities included providing sponsors for pep assemblies, handling the coke machine in the Wigwam, sponsoring after-game dances and collecting money through the K. H. S. Community Chest Drive.

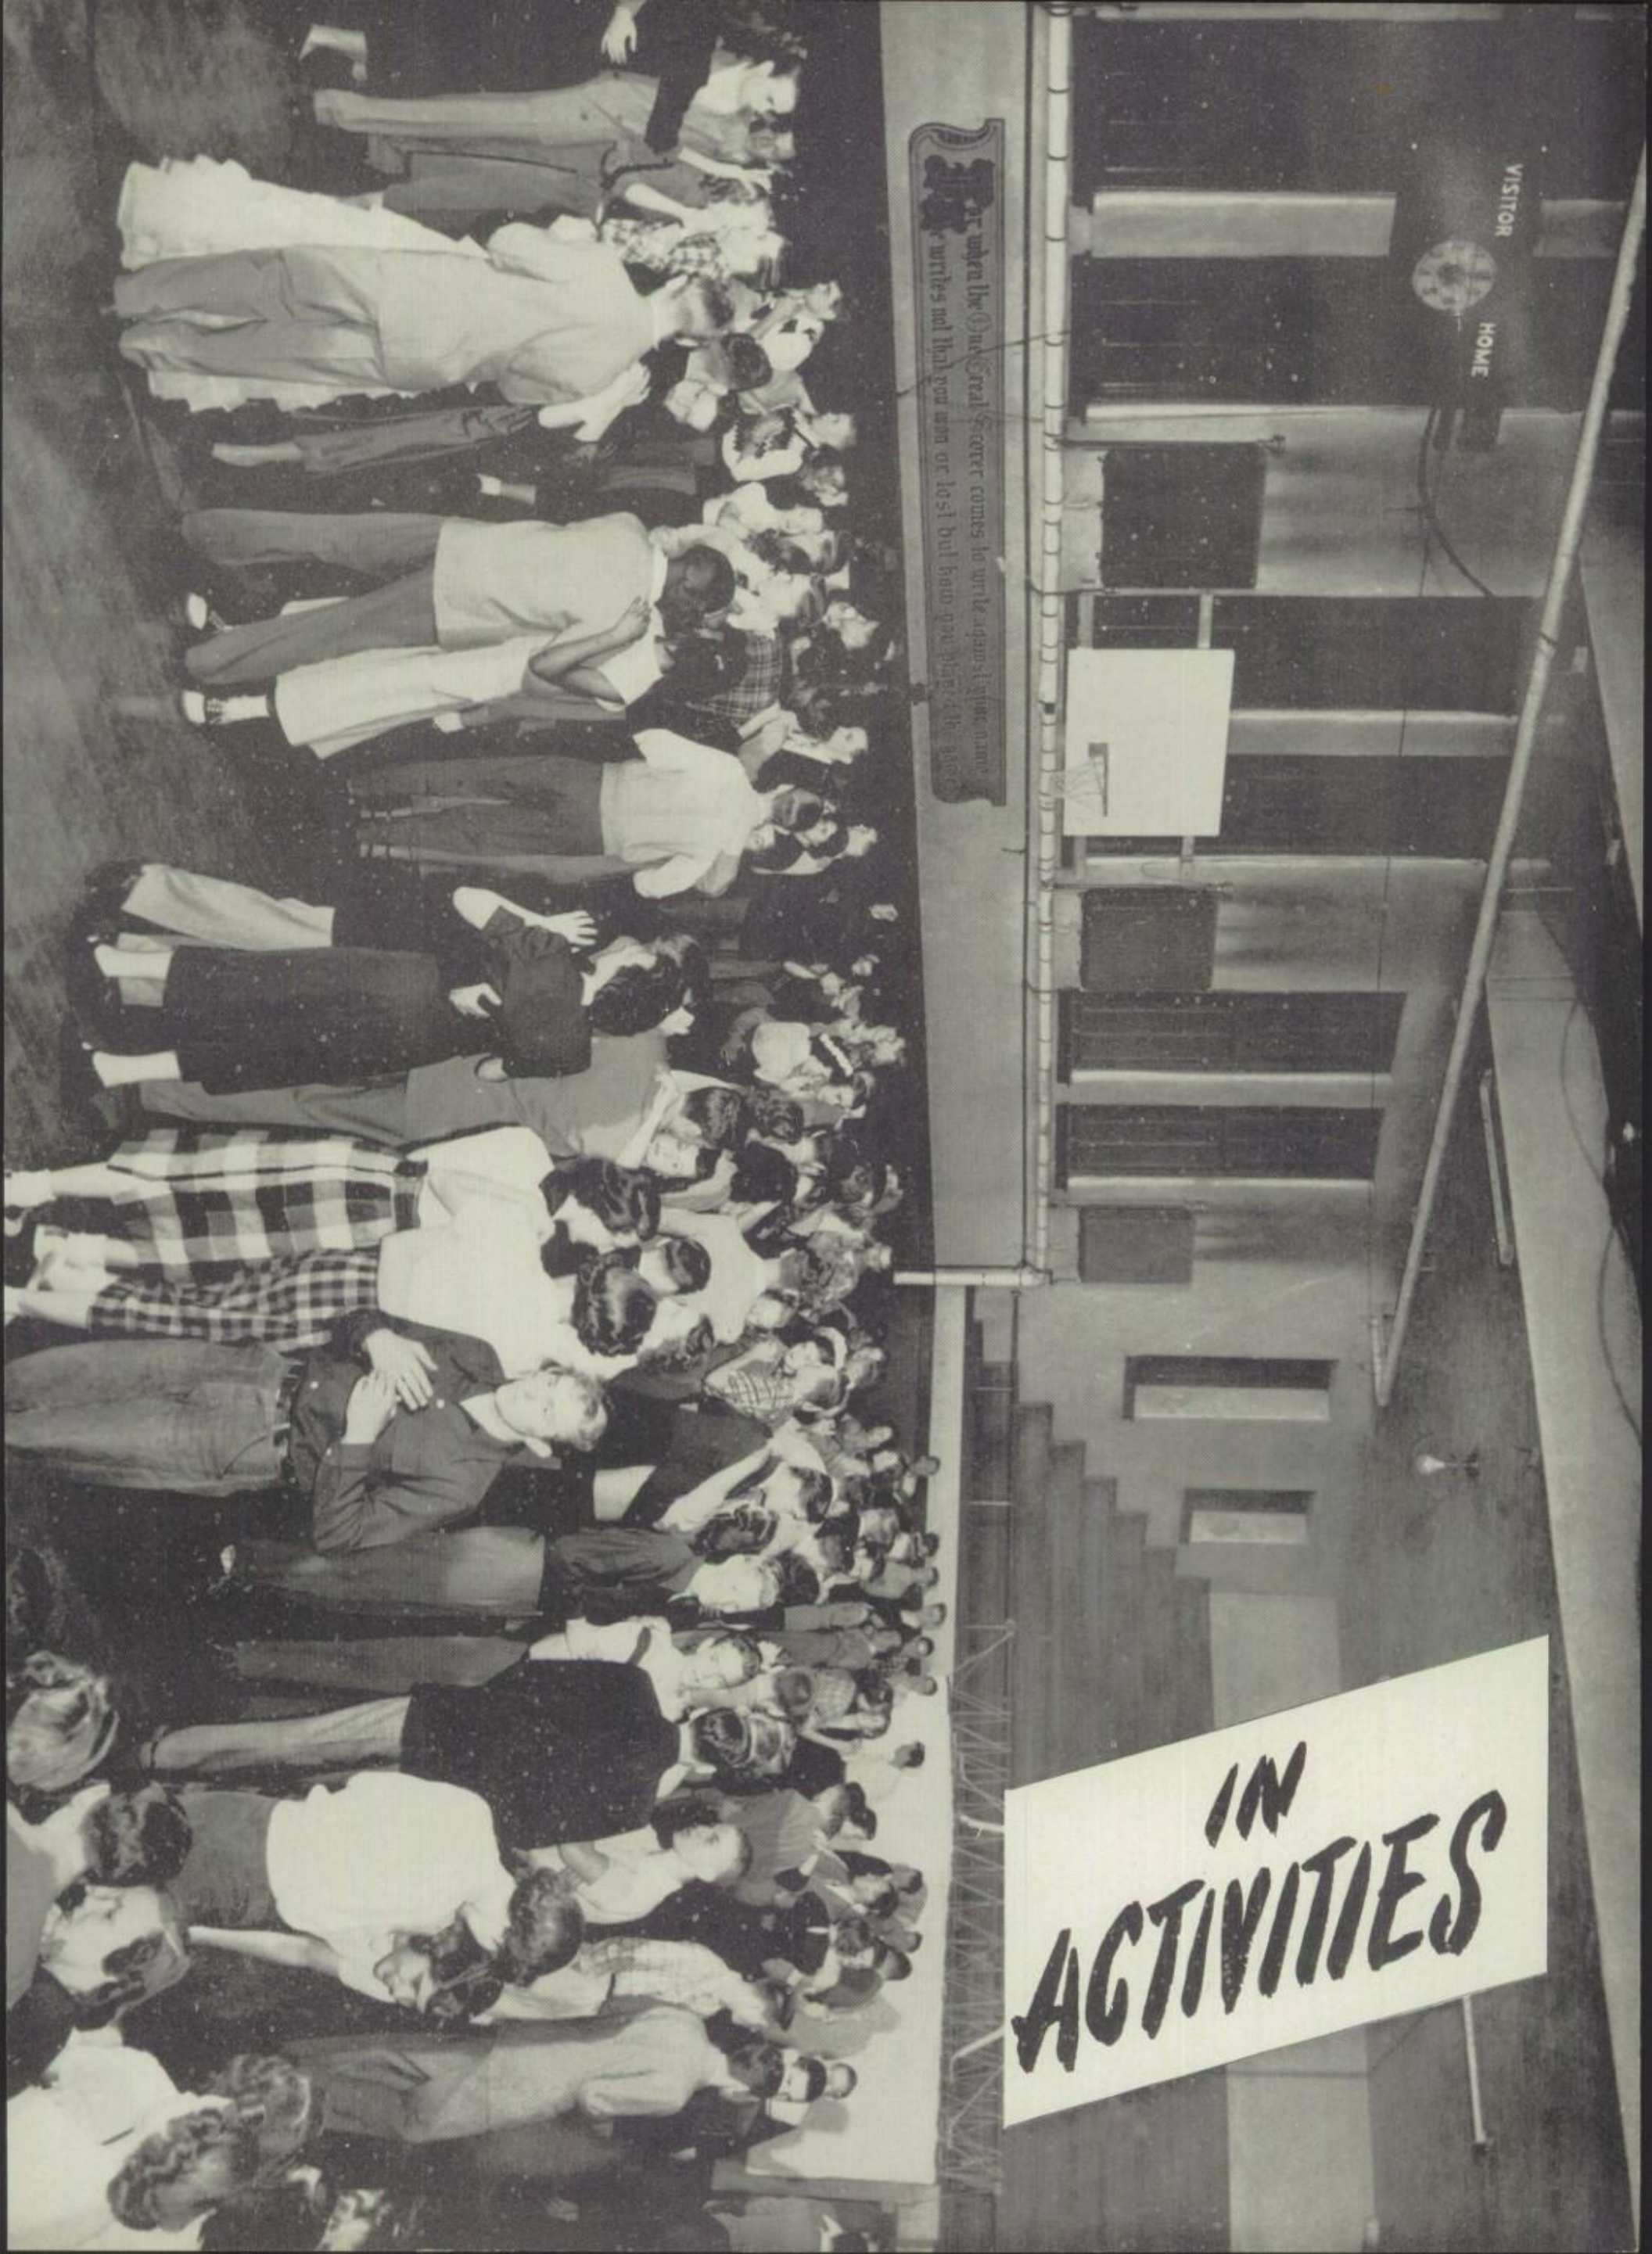

With the donation of a new flag by Mr. and Mrs. Weiny, the Student Council was able to carry through their project of providing a flag for our basketball games.

TORCH CLUB

Membership to Torch Club, our chapter of the National Honor Society, is one of the highest honors K. H. S. can bestow upon a student.

To be eligible, a student must be in the upper third of his class scholastically. Five per cent of the Junior class and ten per cent of the Senior class are elected to membership by the faculty and their fellow candidates on the qualities of leadership, character, and service to the school.

Two of the main activities of the club are maintaining the check stand at basketball games and the annual publication of the *Comment*.

CHARACTERS"**

PROGRAM

Meet the Characters

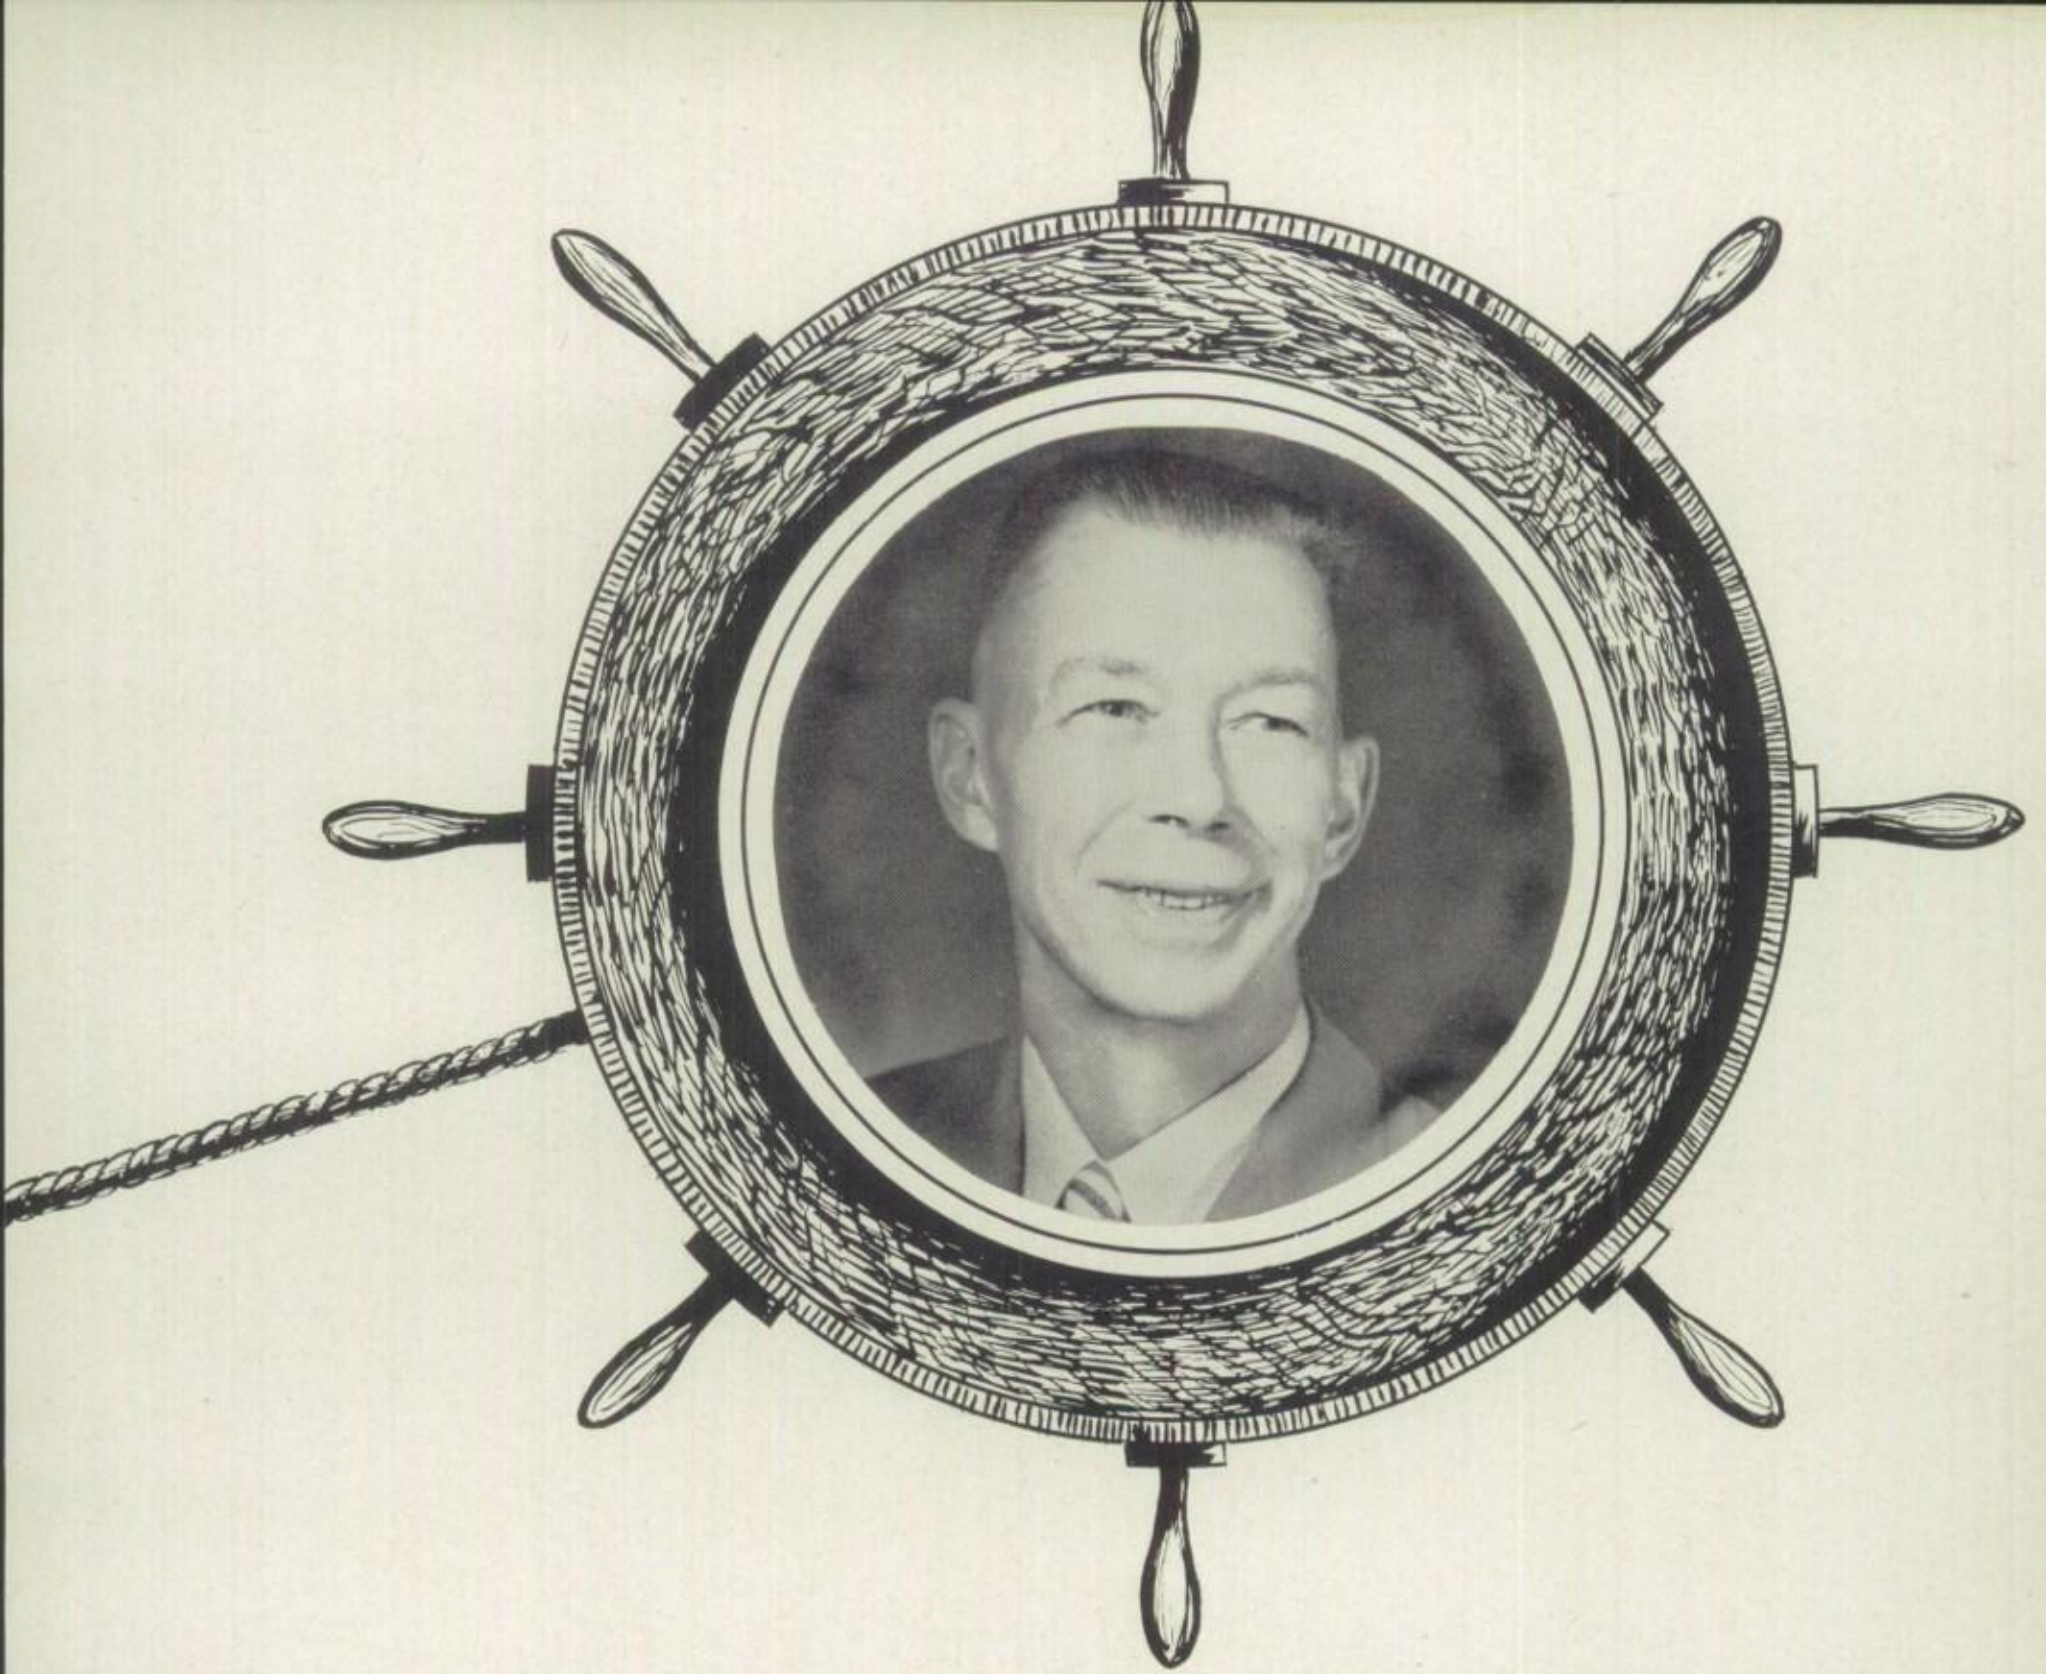

Allow us to introduce ourselves. We are those who make up the student body. It is we who are responsible for all the happenings, whether they be good or bad. We sincerely hope that the school as well as each one of us has profited by our experiences here in Senior High.

In Activities

It has been said that variety is the spice of life, and so serve our activities. The extra-curricular activities supplement the curriculum and furnish us with well-balanced programs.

In Sports

Our teams have known both victory and defeat, but they have always shown fine spirit and represented the school in a manner of which we can all be proud.

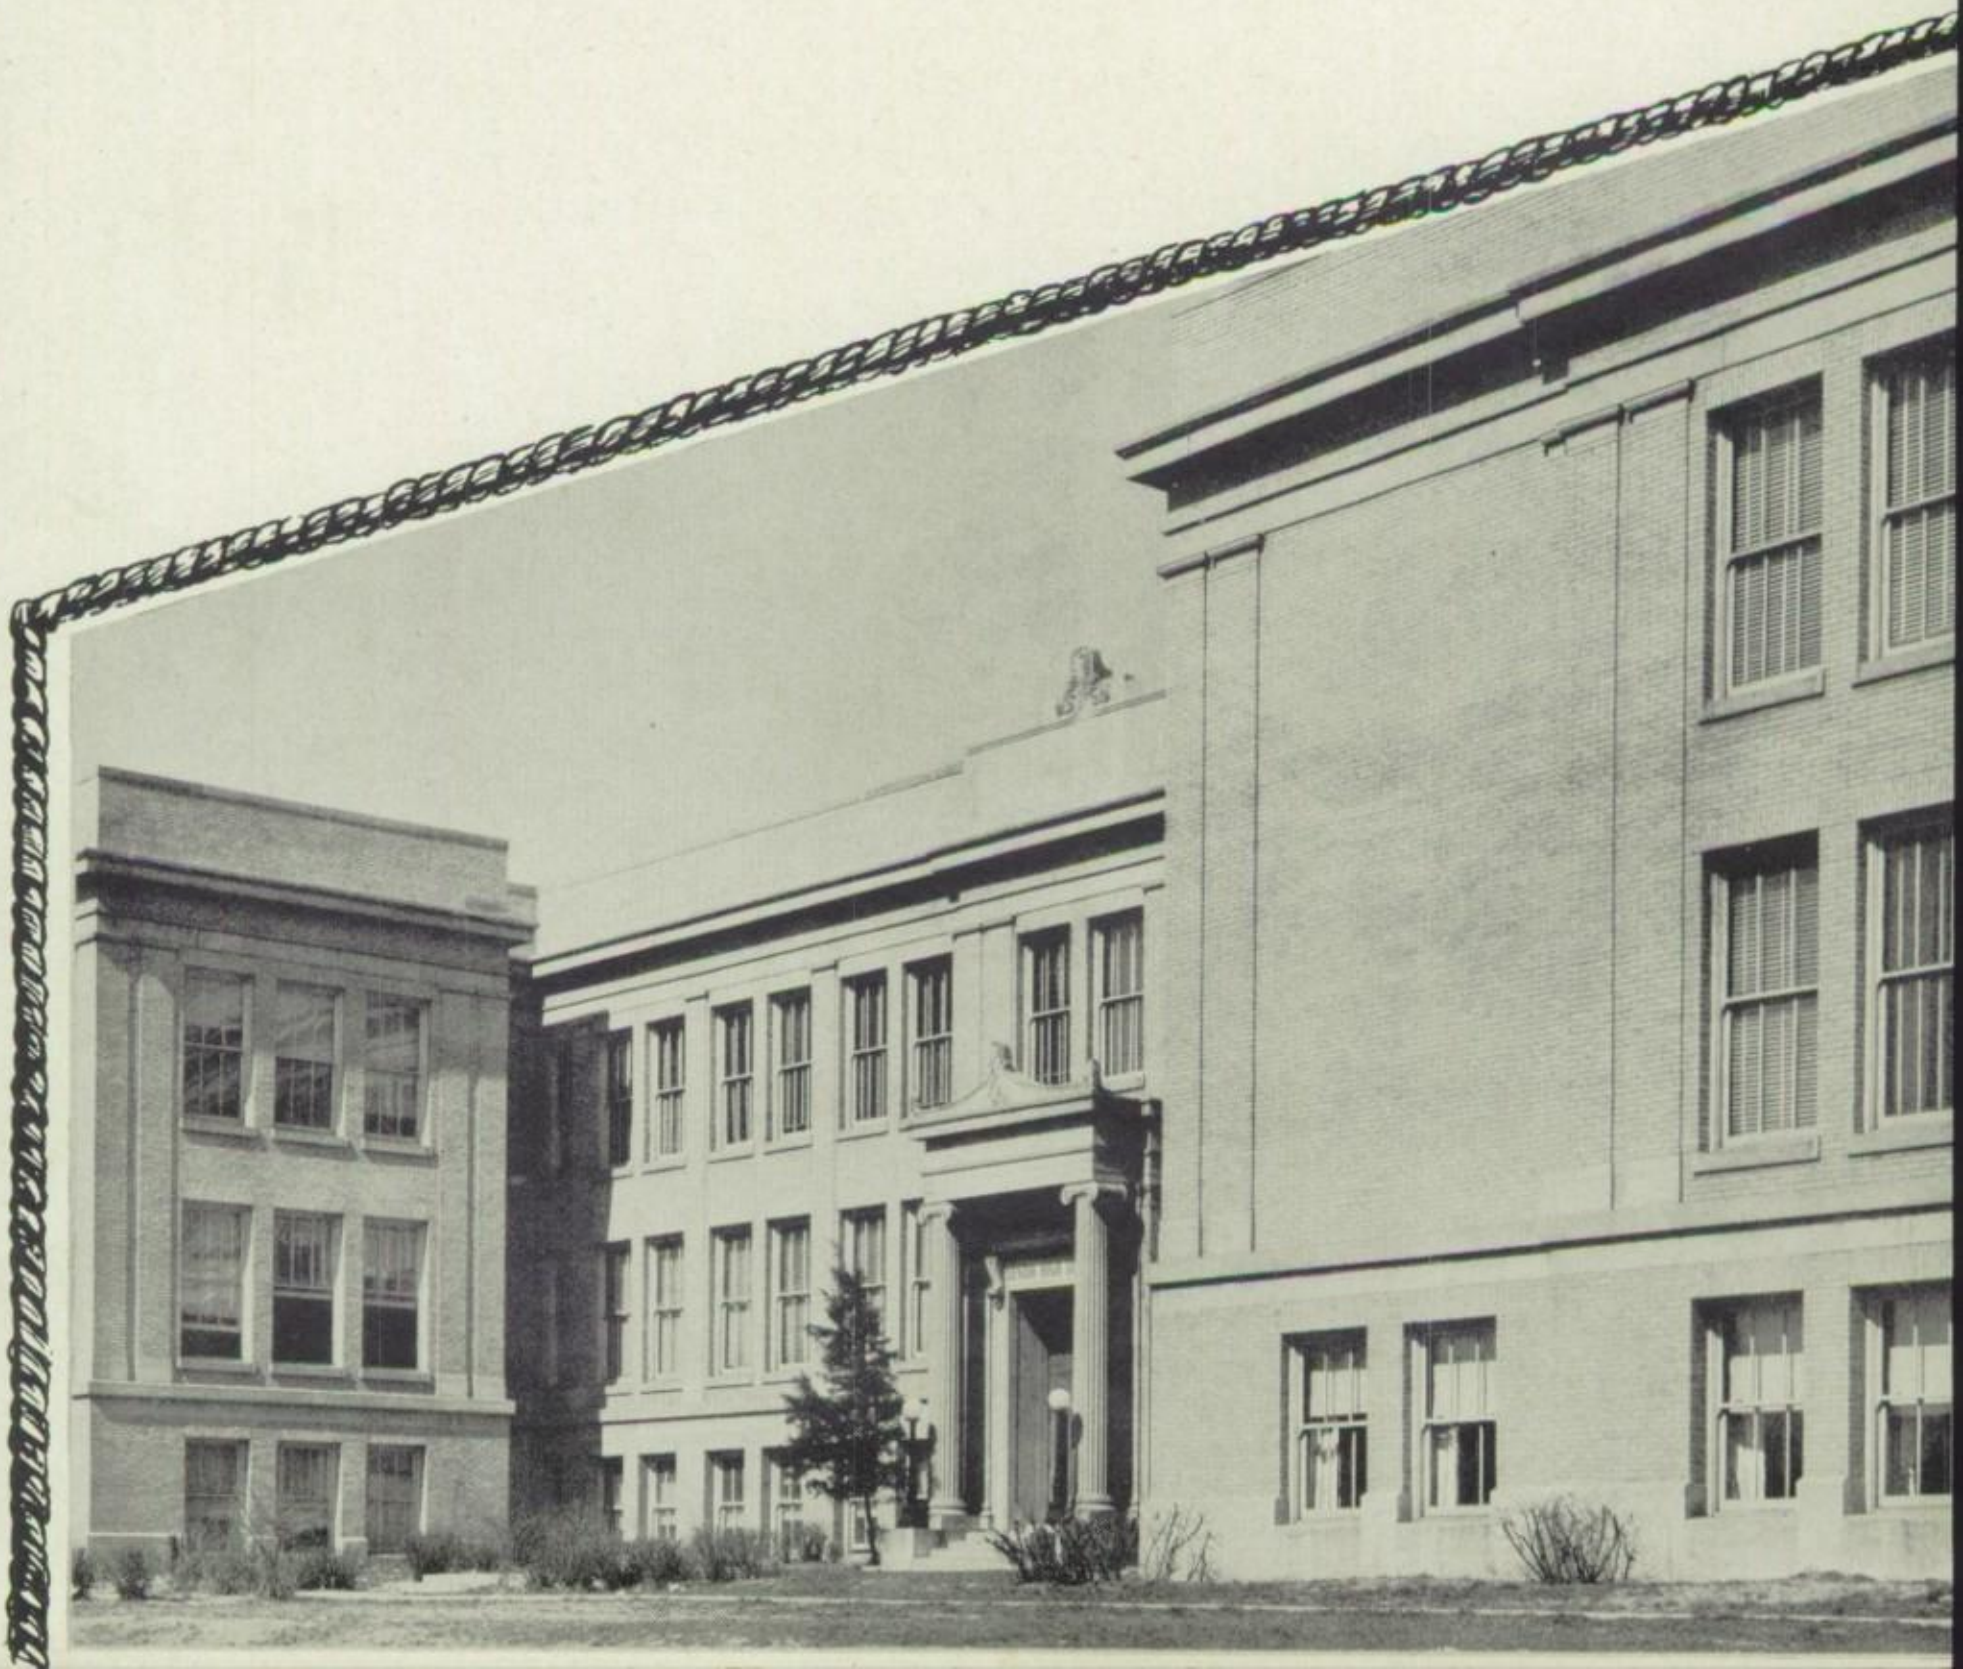

Mr. Paul Megchelsen

DEDICATION

Paul Megchelsen, who has been in Keokuk longer than any other Senior High teacher, has taught for twenty-nine years. He is a pleasant friend and sympathetic listener to all students he has known. In appreciation for his patient efforts, we dedicate the 1950 Comment to our friend "Paul".

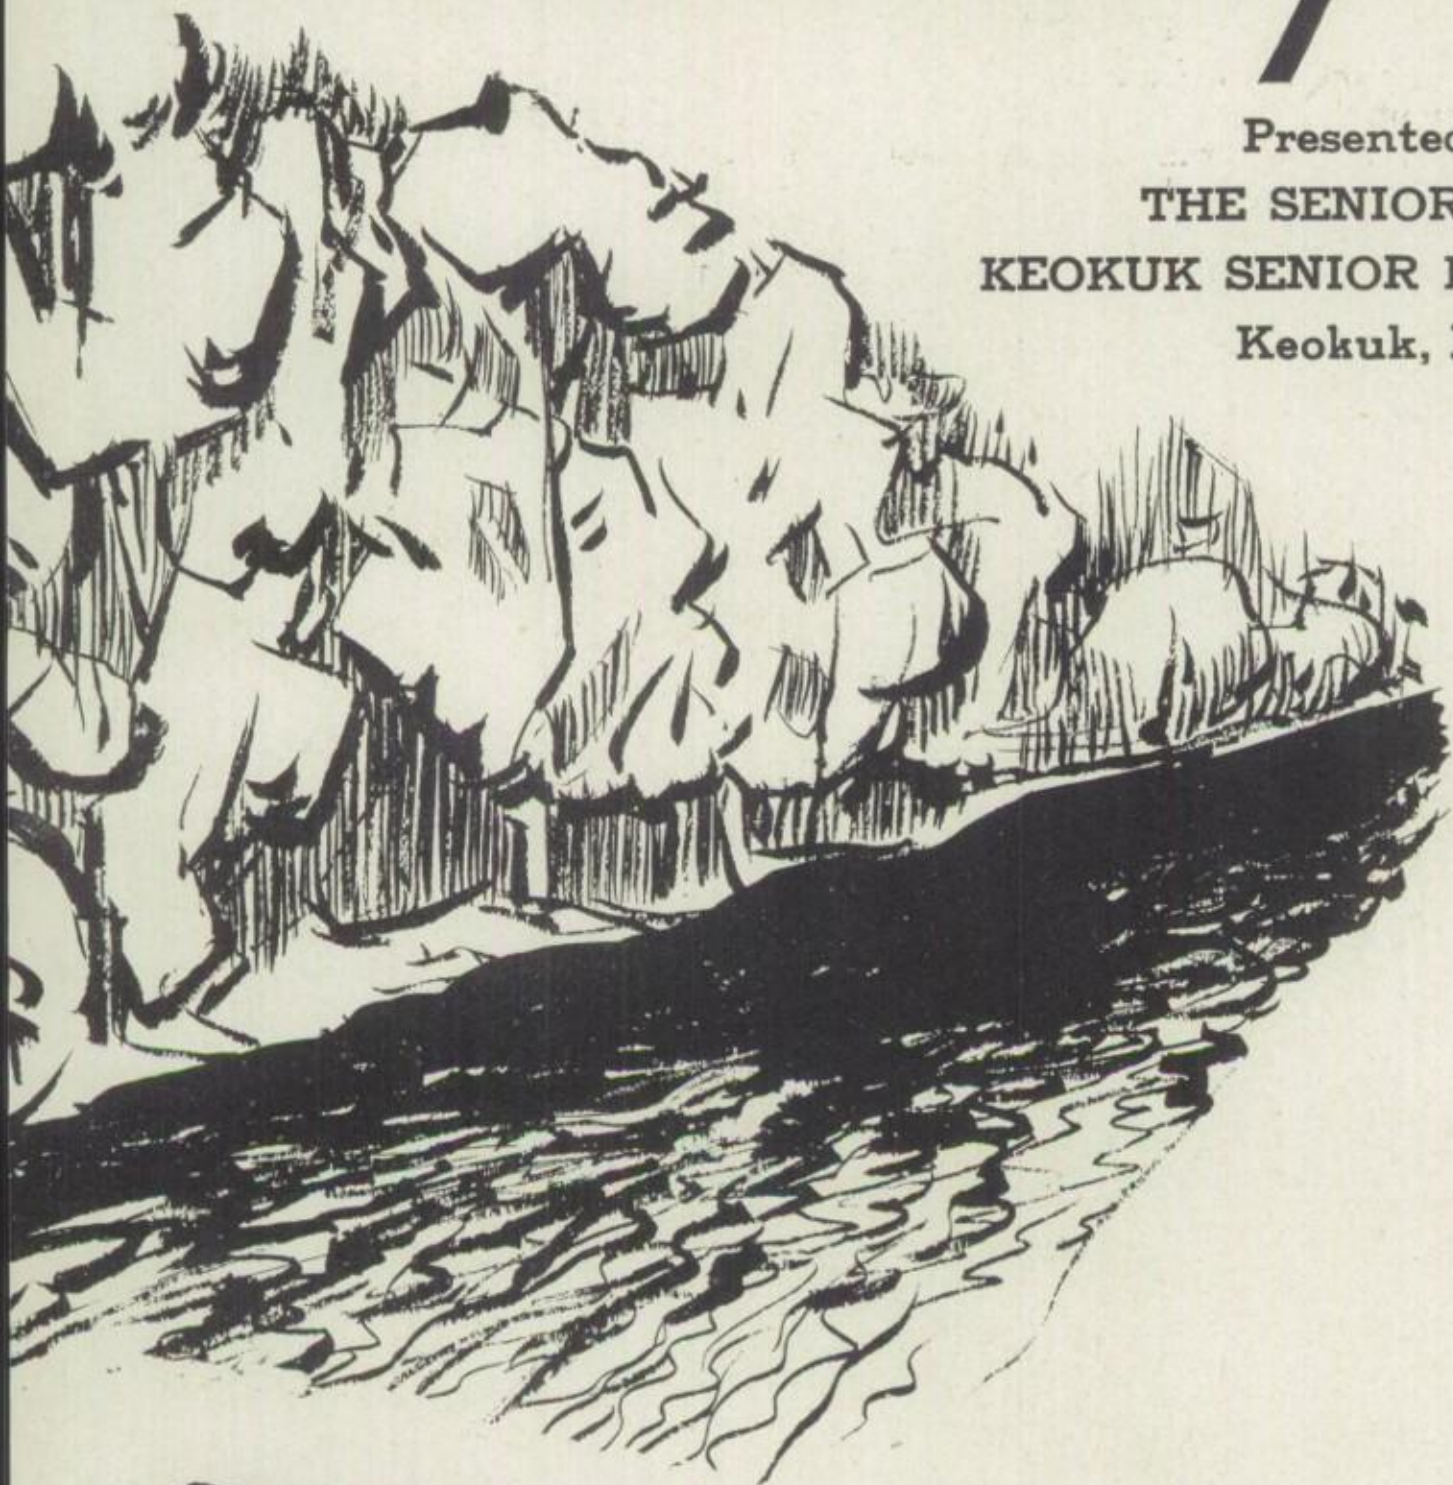

INTRODUCTORY

Just as the show boat came to town for the peoples' entertainment, this book is for your entertainment. Although this is the grand finale for many of the actors and actresses, it is the debut for the understudies. The show must go on.
